We act for a wide range of long standing clients in both the public and private sector, including all forms of NHS organisations, governmental and regulatory bodies, registered providers, insurers, police, fire and rescue services, independent health and social care providers, charities and GP practices.

## The role

We have an exciting opportunity for an experienced Housing Management Solicitor to join our Winchester Team.

The successful candidate will be someone who can work closely with clients, provide first class practical advice and who is technically proficient in housing management work. Prior experience in running a high quality litigation caseload, anti-social behaviour, residential possession claims, civil injunctions and housing disrepair will be highly regarded.

The role will involve responsibility for your own caseload, with some support available from Paralegals as well as working closely with the Partners and other Solicitors on business development opportunities and marketing. A genuine interest in growing business from existing clients as well as targeting and attracting new clients is therefore very important. We don't believe in standing still so all our teams are encouraged to get out there, raise their profile and network in order to help grow the department and promote their career prospects.

## Capsticks is an equal opportunities employer

Capsticks is committed to providing equal opportunities for all and to encouraging diversity through recruitment. Applications are welcome from all sections of the community and decisions to progress will be made with reference to entirely objective criteria only.
